

The challenger: take the word the leader cannot

NTUC FairPrice

"the trusted default"

the leader

Sheng Siong

"the deal"

the challenger

Cold Storage, Meidi-ya

"quality, imported"

the premium tier

The challenger does not attack the leader's strength. It claims the word the leader cannot own without contradicting itself.

Singapore grocery. Bar length is illustrative of mind-share, not measured share. Confidence: Low.
